CELEBRATING SUCCESS BREAKFAST

Sawtelle Boulevard Los Angeles, CA 90066

Partner With Us To Celebrate Success

The Westside Coalition's 31st Anniversary Celebrating Success Breakfast brings together community partners, service providers, supporters, and leaders to recognize collective impact across the Westside and celebrate the people and partnerships that make this work possible.

This breakfast is also an important fundraising opportunity for the Coalition. Sponsorship support helps strengthen the Coalition's ongoing work, convenings, collaboration, community engagement, and efforts to connect organizations and partners around shared solutions.

We invite businesses, organizations, foundations, agencies, and community partners to invest in this milestone celebration. Sponsorship provides meaningful visibility while directly supporting the Coalition's continued work and future impact.

Join us as we honor Darci Niva, WSC retired Executive Director, for her 13 years of leadership & success.
